Note of Thanks

Thank you for partnering with the Logos kids on packing shoe boxes. Because of your generous giving we were able to pack and ship 100 boxes. Every child who receives a box is presented with the Good News in their own language.

In addition, local ministers and missionaries offer follow-up discipleship training to the kids in the form of a 12-session "Sunday School-like" curriculum.

Please continue to pray for the children that will be receiving these gifts.

Sermon Series – Table Talk

Table fellowship was so important for the ministry of Jesus – many good and life transforming things happened around a table! We, too, find ourselves around the table with other people quite often: a lunch table, board room table, and a simple dining room table. Many are making plans to be around tables this up and coming holiday season and so often, we have great conversations around tables like these! However, sometimes there are things that don't get said... out loud, anyway – conversations we have in our own heads. In this series we're going to talk about 3 of these conversations, and how we can still discover Jesus' transformational ministry around the table.

NEW – Worship & Sermon Notes for Kids!

We now have fun sheets for school aged kids to follow along with the weekly service and make notes on what you see and hear. You can pick one up from the shelf by the Missionary Letters.
