

Candlelight Service 2024

Pick up a candle as you enter the sanctuary.
Candles will be lighted at the end of the service during
the singing of Silent Night.

As the light from the first candle is given to you, begin
the spreading of the light.

Please tip your unlighted candle to the upright
burning one. Each person will then, in turn,
pass the light to those next to you.

Please return candles to one of the boxes as you exit.

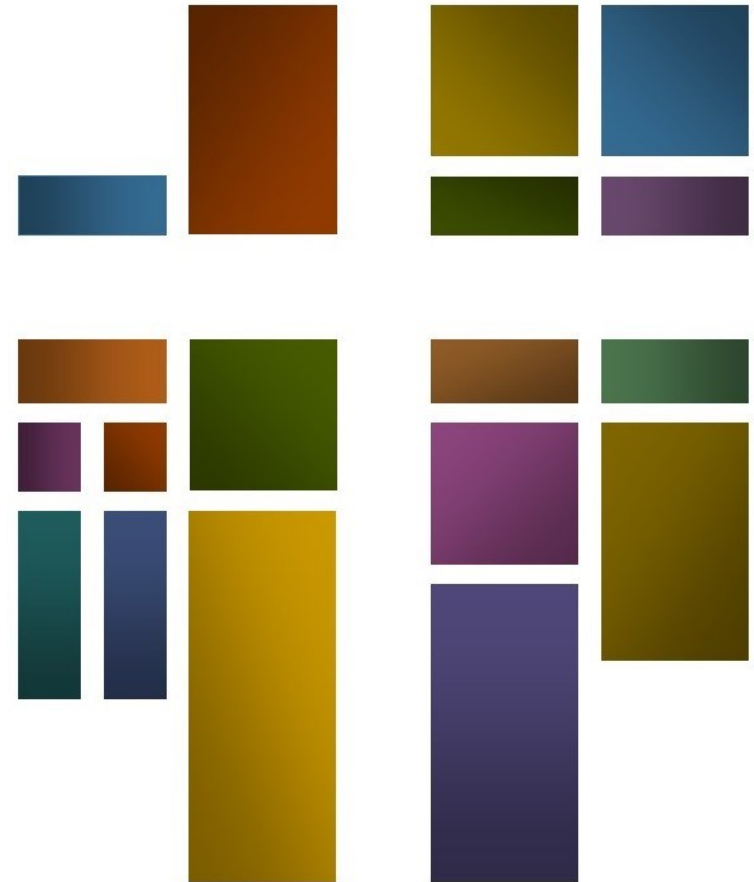

The video of the Christmas Eve Service may be viewed
live, or at any time or date on the internet by going to the
church website at www.centralreformed.org. It may also
be viewed on Central's Facebook page.
